EXPERIENCE

Front-End Web Developer Oct. 2019 - Present
BigName Commerce, LLC Melville, NY

Develop new dynamic landing pages and debug exiting templates with HTML5, CSS3, JavaScript, and jQuery. Use Git to modify, stage and commit all code changes for Bigname.com, Envelopes.com, Folders.com, and Bags.com. Provide front-end support in implementing back-end server-side scripts to align code changes and business requirements. Use Jira to address production issues. Attend daily scrub meetings with management, marketing and development team. Validate site to meet W3C Standards and compliance.

Fron-End Web Developer May 2014 - Oct. 2019
1800Flowers.com Carle Place, NY

Managed and trained the web production team in workflow processes and coding practices. Managed and monitored production tickets with Jira, Slack and WorkFront platforms. Coded various JavaScript / jQuery dynamic functionality for sections of the site (multiple brands). Conducted and attended periodic status/scrum meetings. Validated site to meet W3C Standards and compliance.

UX / UI Designer Dec. 2017 - Jun. 2019
ReviewMyRecruiters.com New York, NY

Designed and developed UI mock-ups, prototype, menus, tabs and widgets. Gathered and evaluated user requirements, in collaboration with product managers and engineers. Illustrated design ideas using storyboards, process flows, and sitemaps. Identified and troubleshoot UX problems (e.g. responsiveness). Validated site to meet W3C Standards and compliance.

Web & Graphic Designer, Intern Aug. 2012 - Jun. 2013
PositivePlayers23.org New York, NY

Designed the organization's logo and branding images. Developed jQuery framework to support popup messaging. Coded, developed and maintained the organization's website to deliver cutting-edge UI and UX. Created and edited vector images using Adobe Photoshop and Illustrator.

Front-End Web Developer Jan. 2011 - Jun. 2012
IslandDealsOnline.com New York, NY

Converted Photoshop designs to live website using HTML, CSS, JavaScript, jQuery, and Bootstrap library. Performed cross-browser testing in Internet Explorer 6+, Safari, Chrome, and Firefox 3+. Validated site to meet W3C Standards and compliance.

Web Designer, Intern Sept. 2009 - Jan. 2010
NYC Health & Hospitals Corp. New York, NY

Created and updated web pages for the New York Hospital Corporation's (HHC) central website and other web properties including the new Diabetes Wellness Center site. Developed and designed new web interfaces, layouts and site graphics. Designed and created new navigation tools for HHC's central site using HTML, JavasScript and CSS. Performed validation of completed sites including the debugging and testing of codes.
